Family Summer Challenge

The goal of the Family Summer Challenge is to help equip parents to have intentional and fun Gospel moments with their kids throughout the summer. We want to provide ways for families to be for the Gospel, for the city and for the world. There will be prizes and incentives throughout the month of July for those who choose to accept this challenge.

GENERAL IDEAS:

- **What:** There will be 20 challenges to complete as a family this summer. The purpose of these challenges is to provide intentional and fun ways for your family to be for the Gospel, for the City and for the World. Use the hashtag #IBCLRFortheCity
- **How:** Families can accept the Summer Challenge by posting on social media, tagging the church and challenging another family to join the challenge.
- **Sample Post:** “Our family has accepted the Family Summer Challenge from Immanuel Baptist Church. We will share our progress here and challenge the following families to be for the gospel, for the city, and for the world with us: [tag friends]”
