HOW TO GET THE MOST OUT OF YOUR JOURNAL READING

Highlight passages that stand out to you. Be sure to write the chapter and verse for reference.

Explain what the verse means. To whom was it written and why? How does it fit with the verses before and after it? What is God telling us through this passage?

Apply the truth of the text to your life. Is there a promise to believe? A command to follow? An area of sin that calls for repentance?

Respond with a next step. This can be through prayer, action, a conversation, or all of the above.
